IB Diploma students take 6 academic subjects, normally one from each group. However, please note:

Students are required to select at least one language from group 1. They are also required to select a different second language from either group 1 or group 2. Students also have the option of studying a third language (from either group) as an elective instead of a group 6 subject.

If you choose only two languages, you have the option of choosing an extra group 3 or 4 subject as an elective instead of a group 6 subject.

Group 1 Language A	Group 2 Foreign Languages	Group 3 Individuals & Societies	Group 4 Experimental Sciences	Group 5 Mathematics	Group 6 Creative subjects
Danish Literature	English B	Economics	Chemistry	Mathematics HL	Visual Arts
English Language and Literature	Danish B	History	Environmental Systems and Societies	Mathematics SL	
Self-taught	German B	Psychology	Physics		
	Danish Ab Initio				
	Spanish Ab Initio				

To enable effective timetabling, some combinations are not possible, so you should ensure your choices can be accommodated within the framework overleaf.
